ECOLOGIC

CONSUMER'S BENEFIT

- Cellulite reduction & Body contouring
- Professional LIPOTHERM RF™ - With unique dual action process - a combination of RF technology and a manual massage
- Deep thermal effect that activates collagen production and decreases the volume of adipocytes' (fat cells)
- Weekly treatment
- Easy to use
- Professional - The same technology used only by doctors until now
- Better results - 2 sets of bipolar RF energy enabling deeper penetration and reaching more skin layers simultaneously, ensuring more effective treatment.
- Especially designed to fit body curves and cover large treatment area.

USP AGAINST COMPETITORS

- Unique LIPOTHERM RF™ technology for a safe, personalized treatment
- Intuitive and easy to use
- Safe - Advanced sensors constantly monitor your skin's condition and adjust the temperature for a safe treatment.
